# Rooms (Table)

**Scheduling > Maintenance > Master Schedule Generator > Tables > Rooms**

This tab allows you to maintain a table of rooms at the campus.

## Add code:

- Existing department codes are displayed in order by code. The list [can be re-sorted](#).

You can re-sort the grid by clicking on an underlined column heading. It will sort in ascending order. Click it again to sort in descending order.

A triangle next to the column heading indicates the column by which the grid is currently sorted and whether it is sorted in ascending  or descending  order.

- A blank row is displayed in the grid.
