# Stu Sched (Trial Scheduling Load)

**Scheduling > Maintenance > Master Schedule Generator > Trial Scheduling Load > Stu Sched**

This tab allows you to produce the Student Schedules report which displays the schedules for all students who were completely scheduled by the trial run.

The report is generated after a trial run. For the scheduling load function, print the report before accepting the load.

## View report:

Field	Description
<b>Grades</b>	Select a grade level, or select <i>All</i> to include all grade levels.
<b>Student ID</b>	Type the student ID. Leading zeros are not required. Or, click <b>Directory</b> to select one or more students from the <a href="#">directory</a> . Leave blank to include all students.

Click **Retrieve Report**. [Review, save, or print the report.](#)
