Stu w/ Unsched Proxies (Trial Scheduling Load)

Scheduling > Maintenance > Master Schedule Generator > Trial Scheduling Load > Stu w/ Unsched Proxies

This tab allows you to produce the Unscheduled Sections of Match Proxies report for the trial scheduling load which lists the students whose requested match proxy could not be scheduled, the individual courses in the match proxy, and the reason the courses could not be scheduled.

The report is generated after a trial run. For the scheduling load function, print the report before accepting the load.
