By Grade Level (Team Code)

Scheduling > Maintenance > Team Code > By Grade Lvl

This tab allows you to assign next year team codes to a group of students by grade level.

Change next year team:

Field	Description
NY Grade From	Select the next year grade level, or select <i>All</i> to change the team code for all grade levels.

- A list of students who will be in this grade level next year is displayed. The list [can be re-sorted](#).

You can re-sort the grid by clicking on an underlined column heading. It will sort in ascending order. Click it again to sort in descending order.

A triangle next to the column heading indicates the column by which the grid is currently sorted and whether it is sorted in ascending  or descending  order.

- If more students are retrieved than can be displayed on one page, you can [page through the list](#).

NY Team To	<p>Select the next year team code to assign to the students.</p> <p>Or, select Blank to reset team codes to blank.</p> <hr/> <p>To add a new team code, type the one-character code in the adjacent field and click Add Team Code. The new code is added to the NY Team To drop-down list.</p>
Update	<p>Select the check box for the students whose team you want to change.</p> <ul style="list-style-type: none"> • Select Select All to select all students. If there are multiple pages of students, the students are selected across all pages. • Clear Select All to unselect all selected students. If there are multiple pages of students, the students are unselected across all pages. • To unselect one or several individual students, clear the Update field for the students. Changes are retained across all pages.

Click **Save**. The next year team code is assigned to the selected students and is displayed in the **NY Team** field.
