SCH0010 - Students Without a Schedule

Scheduling > Reports > Scheduling Reports > Post-Load > SCH0010 - Students Without a Schedule

The report lists students who do not have schedules (i.e., either the student has no records in the course schedule table, or the student has course requests, but none of the requests are assigned to a section). The list includes the student's name and ID, current year grade level, and next year grade level.
