Parameter	Description
Campus ID (Blank for All)	Type the three-digit campus ID, or click it to select the campus. Leave blank to select all campuses in the district.
	<b>NOTE:</b> If you select to create the report for all campuses, any campuses excluded from district reporting (i.e., campuses that have the <b>Exclude from District Reporting</b> field selected on Registration > Maintenance > Campus Profile > Campus Information Maintenance > Control Info) are not included in the report. However, you can generate the report for an individual excluded campus by entering the campus ID.
