This report lists the number of students requesting each course and provides a list and count of other courses the students have requested.

Parameter	Description
Campus ID (Blank for All)	Type the three-digit campus ID, or click ⋮ to select the campus. Leave blank to select all campuses in the district. **NOTE:** If you select to create the report for all campuses, any campuses excluded from district reporting (i.e., campuses that have the **Exclude from District Reporting** field selected on Registration > Maintenance > Campus Profile > Campus Information Maintenance > Control Info) are not included in the report. However, you can generate the report for an individual excluded campus by entering the campus ID.
