SCH0810 - Too Few Requests (Next Yr)

Scheduling > Reports > Scheduling Reports > Pre-Load > SCH0810 - Too Few Requests (Next Yr)

This report lists students whose course requests have a total period control number less than the optimum period control number. Each requested course is listed with its calculated period control number.

The report includes students with zero course request if the student's status code indicates that he will be at the campus next year (i.e., students with status code 1, 2, 4, and 5).
