This tab allows you to maintain next year program information for a student enrolled in special ed, including the student's related services and hearing/visual impairment.

### **Update data:**

#### Select a student

☐ To retrieve a student's records, select the student in one of the following ways:

Student	Begin typing the student ID (with leading zeros) or last name. As you begin typing, a drop-down list displays students whose ID or last name <i>begins with</i> the numbers or characters you have typed. The drop-down list displays the students' full name and grade level. From the drop-down list you can select the student.
	The student can also be located by typing the name in one of the following formats:
	<ul> <li>Last name, comma, first name (smith, john)</li> <li>Last name initial, comma, first name initial (s,j)</li> <li>Comma, first name (,j)</li> </ul>
Texas Unique Stu ID	Type all or part of the student's Texas Unique Student ID to retrieve students whose ID begins with the characters you typed.
	If the student does not have a Unique ID, click TSDS Unique ID button to connect to the TSDS Unique ID Web Service and obtain an ID. Your LEA must have the appropriate credentials through Texas Education Agency Login (TEAL) before this functionality can be used.  Review the Assign a TSDS Unique ID guide for additional information.
Directory	Click to select a student from the Directory.
(photo)	If a photo exists for the student, the student photo is displayed.  From Registration > Maintenance > Student Enrollment, you can change the student photo:
	1. Hover over the image, and click <b>Change</b> . The Change Student Photo window opens.
	2. Click <b>Choose File</b> . Locate and open the file for the new image.
	3. Click <b>Save</b> . The window closes, and the new image is displayed.
	Photos are not displayed in all applications. They are displayed in Attendance (Inquiry), Discipline, Grade Reporting, Graduation Plan, Health, Registration, and Scheduling. They are not displayed in Special Ed or Test Scores.

#### Special Ed Next Year

Indicate the student's special ed participation for the next school year.

This field is used in the Annual Student Data Rollover (ASDR) process in conjunction with the **Drop Special Ed Record for New School Yr (if Special Ed Next Yr = N)** field on District Administration > Utilities > Annual Student Data Rollover. The possible combination of these two fields and their results when ASDR is described in **Special Program Options** section.

Blank - Roll over the student's current year special ed data to the next year.

Y - Merge the changed next year fields with the current year data during ASDR. If any of the following fields is selected, it is merged with the next year records:

Multi Disability
Early Childhood Intervention
Preschool Program (PPCD)
Medically Fragile
Adaptive PE
Adaptive Equipment
Assistive Technology
Special Seating
Wheelchair Code

Fields that are not selected will not be merged.

N - Do not create next year special ed records for the student in Special Education or Registration. The **Drop Special Ed Record for New School Yr (if Special Ed Next Yr = N)** field must also be selected.

If blank or N, all fields on the Next Year tabs are disabled.
