StudentPortal: Set Up and Use StudentPortal

Welcome ASCENDER StudentPortal!

StudentPortal is a web-based system for students that provides the tools that will help you view your attendance, grades, and assignments, as well as organize and plan your schedule of classes. StudentPortal includes two applications, Student Course Requests and Student Graduation Plan.

Student Course Requests allows you to request courses for the next school year, including alternate courses. Once you submit your course requests, you cannot go back to change them. If you need to make changes, you will need to visit with your counselor.

Student Graduation Plan allows you to view and change your graduation plan, and view and print the summary and detail of your course credits. Graduation plans are for high school-level students only. Any coursework completed prior to the 9th grade will be reflected in the remaining credits needed, which can be viewed through the Credit Summary and Credit Detail pages of the StudentPortal Student Graduation Plan application.

Student Course Request System Instructions

Welcome to [StudentPortal!](#)

All students will need to complete their course requests for next year.

The majority of your courses have already been put in place from your Graduation Plan.

Some of you will need to add a couple of courses and alternates.

Some may only need to choose alternates.

Please remember that you can not take a course again. Please choose carefully.

Enter the message:

Student Course Request System Instructions	Type the instructions, up to 3270 characters. If you type more than 3270 characters, the message will be truncated in StudentPortal.
