Table of Contents

Scheduling > Maintenance > Master Schedule > Campus > StudentPortal Message

This tab allows you to type instructions to assist students who are using the ASCENDER StudentPortal Student Course Requests system. The instructions entered here are displayed as the **Campus Message**, which is displayed as soon as the student logs on to StudentPortal.

Enter the message:

Student Course Request System Instructions	Type the instructions, up to 3270 characters. If you type more than 3270 characters, the message will be truncated in StudentPortal.
