Units Remaining:

To begin selecting courses, you must have the appropriate number of **Units Remaining** available. The **Units Remaining** field is located in the left-side navigation bar.

The screenshot shows the Ascender Student Portal interface. On the left, there is a sidebar with a yellow circular icon, the text 'Student Information: LIZELY JOBAHANA SAENZ', and a 'NAVIGATION' section. The main content area is titled 'Course Requests' and shows a table with columns 'Units' and 'Remaining'. The 'Remaining' column contains the value '18' in a red circle, which is highlighted with a red arrow pointing to it.

Units Remaining is the number of units available for you to select from the **Available Courses** section.

- Most courses are worth two units because the course is two semesters long. The units depend on your campus and the number of semesters required for the course.
- The number of units required for each course is displayed in the **Units** column of the **Available Courses** section.
- Once **Units Remaining** is zero, a warning message is displayed notifying you that you will not be able to select additional courses unless you remove a previously selected course from the **Requested Courses** section.
 - **Units Remaining** will decrease as you add courses.
 - **Units Remaining** will increase as you remove courses.

Select courses:

Subjects are listed across the top of the page.

The screenshot shows the 'Course Selection' interface. At the top, there is a title 'Course Selection'. Below the title, there is a row of buttons representing different subjects: Language Arts (highlighted in yellow), Speech, Mathematics, Science, Social Studies, Economics/Free Enterprise, Health, P.E./Equivalent, and Other.

Click the subject area you want to view.

When you click a subject area, the list of courses under the **Available Courses** section will change to correspond with the subject selected. For example, when you click **Science**, all courses in the **Available Courses** section will change to science classes available at your campus.

The screenshot shows a user interface for course selection. On the left, a grid titled "Available Courses - Language Arts" lists courses such as ELA - DUAL, ELA 1, and ELA 3. On the right, a grid titled "Requested Courses" shows a single course: "1200 CREATIVE WRITIN". Below these grids, a section titled "Alternate Courses For (remaining 2) :" lists "1200 CREATIVE WRITIN".

Add	Alt	Number	Course	Units
		0115	ELA - DUAL	0
		0100	ELA 1	0
		0122	ELA 1	0
		0121	ELA 1 DUAL	0
		0200	ELA 2	0
		0215	ELA 2 DUAL	0
		0300	ELA 3	0

Alternate Courses For (remaining 2) :					
1200 CREATIVE WRITIN					
Drop	Rank	Number	Subject	Course	Units
		1051	Language Arts	TECH WRITING	0

You can click the **Number** or **Course** column heading to sort the columns in ascending order by course number and course name.

Left grid:

Under **Available Courses**, click to add a course.

- The course is moved to the **Requested Courses** list (right grid) and is no longer displayed under **Available Courses**.
- The **Units Remaining** field decreases by the appropriate number of units.

Right grid:

To remove a course from the **Requested Courses** list, click in the **Drop** column.

- The course moves back to the **Available Courses** list (left grid) and is no longer displayed under **Requested Courses**.
- **Units Remaining** increases by the appropriate number of units.

NOTE: If a course is displayed in the **Requested Courses** list and you do not have the ability

to remove it, it was added by your campus, and you will need to meet with a counselor to discuss it.

Select alternate courses:

- From the **Available Courses** list, click  to add an alternate course.

Add	Alt	Number	Course	Units
		1200	CREATIVE WRITIN	1
		0115	ELA - DUAL	0
		0100	ELA 1	0
		0122	ELA 1	0

A pop-up window opens allowing you to select the course for which you want to add this alternate course.

The window lists your requested courses. Click a course to select it.

In the example above, if the YRBK 1 course is not available, the CREATIVE WRIT course will be substituted.

When you click the course, the window closes, and the selected alternate course is displayed in the **Alternate Courses For** list and is no longer displayed in the **Available Courses** list.

NOTE:

- Only courses with an assigned course number are available.
- Only three alternate courses may be selected per course.
- A proxy course (i.e., a group of courses that are scheduled together) cannot be added as an alternate.

Under **Requested Courses**, the **Alt** column displays in parentheses the number of alternate courses added for the course.

<input type="checkbox"/>	<input type="button" value="1 ▾"/>	1200	Language Arts	CREATIVE WRITIN	1

Click to view the alternate courses.

The alternate courses are displayed in the **Alternate Courses For** list.

To remove an alternate course from the **Alternate Courses For** list, click in the **Drop** column next to the appropriate course.

- The course is displayed in the **Available Courses** list and is no longer displayed in the **Alternate Courses For** list.
- If a course is displayed in the **Alternate Courses For** list and you do not have the ability to remove it, it was added by your campus, and you will need to meet with a counselor to discuss it.

Under **Alternate Courses For** in the **Rank** field, you can rank the order in which you want the alternate courses to be applied to your course requests.

Drop	Rank	Number	Subject	Course	Units
<input checked="" type="checkbox"/>	<input type="checkbox"/> 1 ▾	1200	Language Arts	CREATIVE WRITIN	1

For example, if a course is not available, the alternate course with a rank of 1 will be the first alternate course attempted to replace it. If that course cannot be applied, the course with a rank of 2 will be attempted, and so on.

NOTE: If the counselor has specified the rank order, it cannot be changed.
