Your classes are listed by period, and the total number of excused absences, unexcused absences, school-related absences (e.g., UIL events or field trips), and tardies for the selected semester are listed.

The **Total Absences** column displays semester totals for all absence types, excluding tardies.

Instructor If the teacher has provided an email address, the teacher's name is displayed as a link to that email address.

MOBILE DEVICE USERS: Tap a row to view semester totals for the class.

A message from your campus is automatically displayed in the Campus Message window when you log on. Click **Close** once you have read the message.

Units Remaining:

To begin selecting courses, you must have the appropriate number of **Units Remaining** available. The **Units Remaining** field is located in the left-side navigation bar.

The screenshot shows the Ascender Student Portal interface. On the left, there is a dark sidebar with the Ascender logo and the text "STUDENT PORTAL". Below this, there is a "Student Information" section with a yellow profile icon and the name "LIZELY JOBAHANA SAENZ". At the bottom of the sidebar, the text "NAVIGATION:" is visible. On the right, there is a large white area. In the top right corner of the sidebar, there is a red circle with the number "18". A red arrow points from the text "Units Remaining" in the following section towards this circle.

Units Remaining is the number of units available for you to select from the **Available Courses** section.

- Most courses are worth two units because the course is two semesters long. The units depend on your campus and the number of semesters required for the course.
- The number of units required for each course is displayed in the **Units** column of the **Available Courses** section.
- Once **Units Remaining** is zero, a warning message is displayed notifying you that you will not be able to select additional courses unless you remove a previously selected course from the **Requested Courses** section.
 - **Units Remaining** will decrease as you add courses.
 - **Units Remaining** will increase as you remove courses.

Select courses:

Subjects are listed across the top of the page.

The screenshot shows the "Course Selection" interface. At the top, there is a title "Course Selection". Below it, there is a row of subject buttons. The "Language Arts" button is highlighted with a yellow background, while the other buttons ("Speech", "Mathematics", "Science", "Social Studies", "Economics/Free Enterprise", "Health", "P.E./Equivalent", "Other") are dark grey. Each button has its subject name in white text.

- Click the subject area you want to view.

When you click a subject area, the list of courses under the **Available Courses** section will change to correspond with the subject selected. For example, when you click **Science**, all courses in the **Available Courses** section will change to science classes available at your campus.

		0300	ELA 3		0						

You can click the **Number** or **Course** column heading to sort the columns in ascending order by course number and course name.

Left grid:

Under **Available Courses**, click to add a course.

- The course is moved to the **Requested Courses** list (right grid) and is no longer displayed under **Available Courses**.
- The **Units Remaining** field decreases by the appropriate number of units.

Right grid:

To remove a course from the **Requested Courses** list, click in the **Drop** column.

- The course moves back to the **Available Courses** list (left grid) and is no longer displayed under **Requested Courses**.
- **Units Remaining** increases by the appropriate number of units.

NOTE: If a course is displayed in the **Requested Courses** list and you do not have the ability to remove it, it was added by your campus, and you will need to meet with a counselor to discuss it.

Select alternate courses:

- From the **Available Courses** list, click  to add an alternate course.

Add	Alt	Number	Course	Units
		1200	CREATIVE WRITIN	1
		0115	ELA - DUAL	0
		0100	ELA 1	0
		0122	ELA 1	0

A pop-up window opens allowing you to select the course for which you want to add this alternate course.

The window lists your requested courses. Click a course to select it.

In the example above, if the YRBK 1 course is not available, the CREATIVE WRIT course will be substituted.

When you click the course, the window closes, and the selected alternate course is displayed in the **Alternate Courses For** list and is no longer displayed in the **Available Courses** list.

NOTE:

- Only courses with an assigned course number are available.
- Only three alternate courses may be selected per course.
- A proxy course (i.e., a group of courses that are scheduled together) cannot be added as an alternate.

Under **Requested Courses**, the **Alt** column displays in parentheses the number of alternate courses added for the course.

- If a course is displayed in the **Alternate Courses For** list and you do not have the ability to remove it, it was added by your campus, and you will need to meet with a counselor to discuss it.

For example, if a course is not available, the alternate course with a rank of 1 will be the first alternate course attempted to replace it. If that course cannot be applied, the course with a rank of 2 will be attempted, and so on.

NOTE: If the counselor has specified the rank order, it cannot be changed.
