Your schedule is displayed. The date appears in the column heading only if you were marked absent or tardy for any period during that day.

If you were present and on time for the entire day, nothing appears for the date.

If you were not present for the entire class, a code appears for the period and date. A description of each code is displayed in the **Legend**.

<b>Instructor</b>	If the teacher has provided an email address, the teacher's name is displayed as a link to that email address. If you click the name, the default email client (as specified in his Internet Options settings) opens with the teacher's address in the To field.  <b>TIP:</b> If you use web-based email (e.g., Gmail or Yahoo! Mail), you can copy the email address from the default email client to a web-based email message.
	If the teacher has provided additional notes, click  to view the notes. The notes open in a pop-up window. Click anywhere on the page to close the pop-up window.
