-------------------------------	----------

Texas Assessment

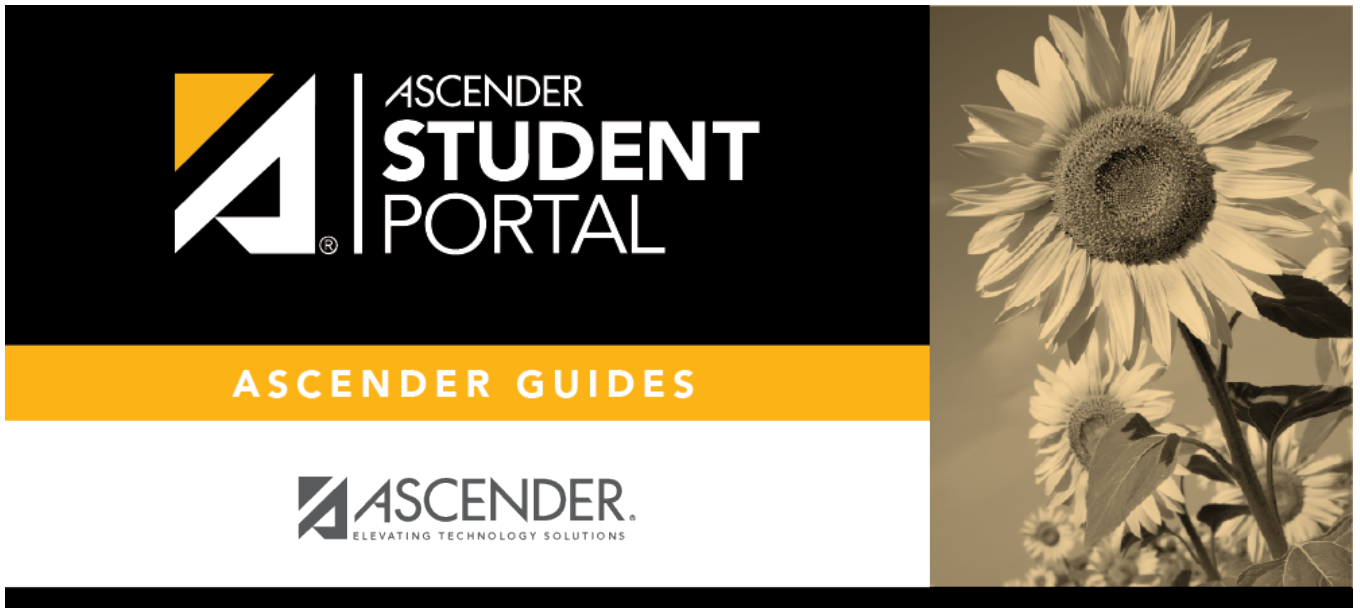

ASCENDER StudentPortal > Grades > Texas Assessment

The **Texas Assessment** menu only displays if a student has scores available to view. Clicking the Texas Assessment link will open the TEA's Texas Assessment Results site in a separate browser.

☐ Click the **Texas Assessment** link in the menu to be directed to the [Family Portal login page](#) to login and view the available assessments.

NOTE: If there is not a Unique Access Code and/or date of birth associated with the student, the Texas Assessment option will be unavailable.
