Texas Assessments

ASCENDER StudentPortal > Grades > Texas Assessments

The **Texas Assessments** menu only displays if a student has scores available to view. Clicking the Texas Assessment link will open the TEA's Texas Assessments Results site in a separate browser.

☐ Click the **Texas Assessment** button to be directed to the [TEA's Texas Assessments Results Student Portal](#) to login and view the available assessments.

NOTE: If there is not a Unique Access Code and/or date of birth associated with the student, the Texas Assessments option will be disabled.
