Reset Your Password

You can use the Reset Password wizard to reset your password.

Reset Password

The screenshot shows a web interface for resetting a password. At the top left, there is a red button labeled "Return to Login". Below it, the title "Reset Password" is displayed. A progress bar indicates three steps: "Reset Password" (highlighted in orange), "Security Question", and "Create New Password". The main content area is titled "Reset Password" and contains the instruction "Enter Student ID and User Name". There are two input fields: "Student ID:" with a user icon and "User Name:" with a user icon. At the bottom right, there are two buttons: "Next" (orange) and "Cancel" (white).

Student ID	Type your Student ID.
User Name	Type your user name. You must create an account in order to create a user name.

Click **Next**.

If you entered the data correctly, the Security Question step opens.

Security Question

The screenshot shows the 'Reset Password' page with a progress bar at the top. The progress bar has three steps: 'Reset Password', 'Security Question', and 'Create New Password'. The 'Security Question' step is currently active, indicated by a yellow dot. Below the progress bar, the title 'Security Question' is displayed, followed by the subtitle 'Answer Hint Question to verify identity'. The main content area contains a 'Question:' field with the text 'What is your mother's maiden name?' and an 'Answer:' field with an empty text input box. At the bottom right, there are two buttons: 'Back' and 'Next'.

- Type the answer to your security question in the **Answer** field.
- Click **Next**.

If you entered the data correctly, the Create New Password step opens.

Create New Password

The screenshot shows the 'Reset Password' page with a progress bar at the top. The progress bar has three steps: 'Reset Password', 'Security Question', and 'Create New Password'. The 'Create New Password' step is currently active, indicated by a black dot. Below the progress bar, the title 'Create New Password' is displayed, followed by the subtitle 'Enter and confirm new password'. The main content area contains two password input fields: 'Password:' and 'Password Verification:'. Each field has a search icon on the left and an eye icon on the right. To the right of the 'Password:' field, there is a list of requirements: 'Between 16 and 46 characters. Must include at least one of each of the following character types:' followed by a bulleted list: 'Uppercase letters (A-Z)', 'Lowercase letters (a-z)', 'Numbers (0-9)', and 'At least one allowed special character'. Below this list, it says 'Forbidden characters: space, !, ?, *, &, ^'. To the right of the 'Password Verification:' field, it says 'Password must match entry in password field exactly (case sensitive)'. At the bottom right, there is a green 'Finish' button.

- Type your new password following the requirements on the screen.
- Click **Finish**.

The Announcements page opens.
