### **Admin - Search for Student Grades**

#### TeacherPortal Admin > Admin - Student Grades

This page is only available to users who log on to TeacherPortal with a district- or campus-level security administrator user ID.

This page is the first step in viewing the Admin Student Grades page. You must select a specific student at a specific campus before viewing the Admin Student Grades page.

Although this page is for administrative users, the page can be used to run the Admin Student Grades report for a student group by any user who has existing groups. If you are running the group report, the page title is Admin Student Grades - Find Student From Group. Also, the **Student Groups** field is displayed instead of the student search options.

#### Find student:

☐ Specify search criteria:

**NOTE:** You can search either by student ID or name; you cannot use both options at the same time.

### Student ID Last/First Name

**Campus ID** 

☐ Click **Search**.

The students who match the criteria entered are listed, including student ID, name, campus, grade level, and entry/withdrawal dates for each campus. Students are sorted by last name, first name, and enrollment date.

#### Student Groups

The students in the selected group are listed.

 $\hfill \square$  Select the student record you want to view, and click  $\mbox{\bf View}$   $\mbox{\bf Details}.$ 

The Admin Student Grades page opens.
