Select if the assignment is for extra credit.

NOTE: If the assignment is for extra credit, the **Total Points** is set to zero and cannot be changed.

Extra credit assignments add points to the average for the category selected. If a student has no grade or a zero for the extra credit assignment, it does not count against him when his average is calculated.

See the Extra Credit section of the [Calculate Averages guide](#) for an explanation of calculating averages with extra credit for each weighting type.

This field is not available for standards-based courses or assignments that have a rubric chart assigned.
