Specify the semester:

**Semester** The current semester is displayed by default. You can select another semester.

Click **Retrieve**.

Under **Available Course Groups** (left grid):

Available groups are listed. Otherwise, the message “No data available in table” is displayed.

### Add a group:

**Name** To add a group, type a unique name for the group.

The screenshot shows a light blue interface titled "Available Course Groups". At the top, there is a table with four columns: "Edit", "Course Group Name", "Semester", and "Course Count". The table body is empty and contains the text "No data available in table". Below the table, there is a "Name:" label followed by a text input field containing the text "Algebra I". To the right of the input field is a blue button labeled "Add Group". A red arrow points to the "Add Group" button.

Click **Add Group**.

The new group name is displayed. Details for the group are displayed under **Course Group Detail** (right).

Click  to add courses to the group.
