manage_assignments_intro i

This page allows you to add assignments for your active courses, including extra credit assignments. You can also copy the assignments to other courses.

Categories must be established for the course on [Settings > Manage Categories](#) before you can add assignments.

Different fields are displayed according to the type of course selected (category-based (i.e., regular) courses and standards-based courses).

You cannot make changes to assignments once the cycle is closed.
