To add skills to the rubric chart, type the first skill name, up to 50 characters, and click **Add Skill**. The skill is added to the grid, and a blank field is displayed allowing you to add another skill.

The screenshot shows a web interface titled "Add Score". It features a table with two main sections: "Scores" and "Skills". The "Skills" section is highlighted in yellow. In the "Skills" section, the word "Organization" is entered into a text field. To the right of the "Skills" section, there are two columns labeled "Low Points" and "High Points", each with a numeric input field showing "0". At the bottom left, there is a blue button labeled "Add Skill" with a red arrow pointing to it. At the bottom right, there is a blue button labeled "Save" and a text label "Total Points: 0".

Continue adding skills as needed.
