rubric_setup_edit_total_points i

The highest possible number of points a student can earn for this assignment is calculated and displayed in the bottom-right corner. The number changes every time you save changes that affect the total possible points for the rubric chart.

The screenshot shows a web interface for setting up a rubric. At the top, there is a table with five columns, each containing a value of 20. Below the table, on the left, is a blue button labeled 'Add Skill' and a red message that says 'Rubric saved successfully.'. On the right, a red arrow points to the text 'Total Points: 100'. In the bottom right corner, there is a blue button labeled 'Save'.
