rubric_setup_edit_total_points i

The highest possible number of points a student can earn for this assignment is calculated and displayed. The number changes every time you save changes that affect the total possible points for the rubric chart.

The screenshot shows a web interface for editing a rubric. At the top, there is a table with five columns, each containing a value of '1.0'. Below the table, on the left, is a blue button labeled 'Add Skill'. Below that is a red message that says 'Rubric saved successfully.'. On the right side of the interface, there is a red arrow pointing to the text 'Total Points: 100'. At the bottom right, there is a blue button labeled 'Save'.
