## Reports > Standard Score Trend Report (Standards-Based)

This report displays a student's standard assignment grades in a line chart format, which allows you to see the student's grade progression for each standard. This report only applies to course-sections that are set up to use standards-based grading.

The rubric score grid lines are displayed according to the scale used by the campus.

- The vertical line represents the rubric scores as established by the district.
- The horizontal line represents the assignments that are associated with the selected standard.

### Generate the report:

☐ Specify report options:

<b>Semester</b>	The current semester is displayed. You can select a different semester.
<b>Cycle</b>	The current cycle is displayed. You can select a different cycle. Or, select <i>All</i> to generate the report for all cycles to date in the current semester.
<b>Course-Section</b>	Select the course-section for which to print the report. Or, select <i>All</i> to produce the report for all of your course-sections. The drop down lists the two-digit period and course name. The course number and section number are in parentheses.
<b>Standard</b>	Select the standard for which to print the report. Or, select <i>All Standards</i> to print the report for all standards, where one chart is displayed per standard.
<b>Student</b>	Select the student to print the report for.

☐ Click **Generate**.

- The report opens in a new window, and you can print the report from that window.
- The report selection page remains open on your desktop.

**NOTE: This page removed per L Fuentes as Standard-Based Grading is no longer an option.**
