Reports > Score Trend Report

This report displays a student's standard assignment grades in a line chart format, which allows you to see the student's grade progression for each standard. This report only applies to course-sections that are set up to use standards-based grading.

The rubric score grid lines are displayed according to the scale used by the campus.

- The vertical line represents the rubric scores as established by the district.
- The horizontal line represents the assignments that are associated with the selected standard.
