# Score Trend

***Reports > Score Trend Report***

This report displays a student's standard assignment grades in a line chart format, which allows you to see the student's grade progression for each standard. This report only applies to course-sections that are set up to use standards-based grading.

The rubric score grid lines are displayed according to the scale used by the campus.

- The vertical line represents the rubric scores as established by the district.
- The horizontal line represents the assignments that are associated with the selected standard.

## Generate the report:

❑ Specify report options:

| | |
|---|---|
| **Semester** | The current semester is displayed. You can select a different semester. |
| **Cycle** | The current cycle is displayed. You can select a different cycle. Or, select *All* to generate the report for all cycles to date in the current semester. |
| **Course-Section** | Select the course-section for which to print the report. Or, select *All* to produce the report for all of your course-sections. The drop down lists the two-digit period and course name. The course number and section number are in parentheses. |
| **Standard** | Select the standard for which to print the report. Or, select *All Standards* to print the report for all standards, where one chart is displayed per standard. |
| **Student** | Select the student to print the report for. |

❑ Click **Generate**.

- The report opens in a new window, and you can print the report from that window.
- The report selection page remains open on your desktop.
