Blank/Missing Grades Report

Reports > Blank/Missing Grades

This report lists blank, missing, and incomplete assignment grades according to options entered on this page.

Generate the report:

❑ Specify report options:

Semester	The current semester is displayed. You can select a different semester.
Cycle	
Course Section	

❑ If you changed the **Course Section**, click **Retrieve Data**.

Grade Selection Options		
Viewing Options	**Page break between students**	Select to print one student per page. Otherwise, the data will print continuously.
	View Student Names	Select to display the student names on the report. Otherwise, the names are not printed on the report, and students can only be identified by their student IDs. The student IDs are always displayed on the report.
	View all assignments due after	Select to narrow assignments by date, and enter a valid school date.
	View Current or All Course Sections	**Current**: Select to narrow assignments to only course-sections for the current semester-cycle. **All**: Select to show assignments for all course-sections.

❑ Click **Generate**.

- The report opens in a new window, and you can print the report from that window.
- The report selection page remains open on your desktop.
