Copy Categories

Settings > Manage Categories

Once you establish the categories for a course on [Settings > Manage Categories](#), you can copy the categories to other course-sections. All categories for a course must be copied as a group to the other course; you cannot copy individual categories. The categories for a course-section cannot be copied to itself.

This page is only accessible from the Manage Categories page.

Update data:

On the Manage Categories page, use the **Semester** and **Course-Section** fields to select the course-section *from* which to copy categories.

Then, click **Copy categories to other course sections**. The Copy Categories page opens.

Your active courses are listed.

From	The course, period, and section from which you are copying categories is displayed.
Course	<p>Click a course title to view the existing categories for the course. A window opens which displays the categories for the course.</p>  <p>Click OK to close the window.</p>
Copy	<p>Select one or more courses to copy the categories to.</p> <p>NOTE: You cannot copy to courses that have categories with assignments; the check box for the course is disabled.</p>

PIN Type your four-digit personal identification number (PIN).

Click **Copy**.

NOTE: If you attempt to copy categories to a course that already has categories (but no assignments), a warning message is displayed stating that you will override any categories that exist for the other course(s).

Click **Continue** if appropriate.

Click **Return to Categories** to return to the Manage Categories page.
