Copy Student Groups

Settings > Student Group Manager

This page is only available to users who log on to TeacherPortal with a district- or campus-level security administrator user ID.

Once a teacher has established a student group using [Settings > Manage Student Groups](#), you can copy the teacher's groups (with the students) to another teacher.

This page is only accessible from the Manage Student Groups page.

Copy data:

If you are logged on as an administrator, the **Copy Group to Another Teacher** button is displayed on the Manage Student Groups page.
