Table of Contents

Position Management > Inquiry > PMIS Employee Historical Data Inquiry

The following historical inquiry is used to view historical information by employee name or employee number. The inquiry includes position data and salary information about the positions an employee has held (regular positions and supplemental positions).

Employee	Type the employee name or number. Or, click Directory to perform a search in the Employees directory .
Start at Update Date	Type the beginning date for the inquiry in the MMDDYYYY format. This allows you to narrow the inquiry to a specific date range.

Click **Retrieve**.

The following information is displayed for each employee:

- **Frequency**
- **Employee number**
- **Name**
- **Update date** - The date and time a change was made to the position are displayed.
- **Begin/End** - Each time current year PMIS is rolled to next year PMIS, and then rolled back to current year payroll and PMIS, a snapshot of the position is saved to this inquiry. This allows the LEA to view what an employee/position looked like at the beginning of the school year and again at the end of the school year.
- **Pos Nbr** - Position Number
- **Billet** - Billet Number
- **Pos Typ** - Position Type
- **Sch YR** - The school year (fiscal year) for each transaction is displayed.
- **Description** - The billet description for the position is displayed. If the billet description is changed, the change is reflected in history.
- **Orig Type** - FCS indicates a change was made in forecast (NY PMIS). MNT indicates a change was made in current year PMIS.

Click  to display the position record, distribution, and date information for the selected row. The following three tabs are available: Position Record, Distribution, and Date.

Position Record - This tab displays information similar to what is displayed on the Payroll > Maintenance > Staff Job/Pay Data > Job Info tab. The **Orig Type** indicates the process that was used to make the change.
