[Position Management > Maintenance > PMIS Position History](#) OR [Position Management > Maintenance > PMIS Supplement History](#)

This page is used to view historical position changes. Since each change made to a position management record creates a new historical record, many records may exist for an employee. Each change in position (CIP), position maintenance, and forecast moves are displayed on this page. This information is helpful if CIP calculation results are not as expected. You can review all position history or specific billet history.

This data serves as a historical record and should not be modified.

- **Emp Nbr**
- **Name**

□ Click  to view the position details at the date and time displayed under **Update Date**. Changes to the billet description are displayed on this page. A pop-up window with three tabs (Position Record, Distribution, and Date) is displayed.

Position Record - This tab displays information similar to what is displayed on the Payroll > Maintenance > Staff Job/Pay Data > Job Info tab. The **Orig Type** indicates the process that was used to make the change.

The screenshot shows the 'Maintenance > PMIS Position History' application interface. The 'Position Management' section is active, displaying search criteria: Position Number (PCAMPUS), Position Description (PRINCIPAL), and Billet Number (00300). A 'Save' button is visible in the top left, and a 'Year: C' dropdown is in the top right. Below the search criteria are 'Retrieve' and 'Add Position' buttons. A 'HISTORY' table is partially visible on the left. The 'Edit Position' dialog box is open, showing the following details:
