Position Management Process - Sample Timeline (July)

In the July timeframe, perform the following Position Management tasks.

For complete information, review the [Position Management Process](#) guide.

- Process service records prior to moving forecast to current. Service records should be completed and posted prior to moving those employees who have a July contract begin date.
- Use the [Position Management > Utilities > Move Forecast to CYR Position and Payroll](#) to move the July group from forecast to current.
- Include any travel/business allowance XTRA duties.
