Position Management Process - Sample Timeline (September)

In the September timeframe, perform the following Position Management tasks.

For complete information, review the [Position Management Process](#) guide..

- Process service records prior to moving forecast to current. Service records should be completed and posted prior to moving those employees who have a September contract begin date.
- Use the [Position Management > Utilities > Move Forecast to CYR Position and Payroll](#) to move the September group from forecast to current.
- Move all XTRA duty codes.
- Determine if retroactive pay processing is necessary. If so, use the [Position Management > Utilities > Retro Pay Processing](#) to process the retroactive pay process.
