## **Apply Overpayment - BAR3400**

#### Accounts Receivable > Maintenance > Invoice Payments > Apply Overpayment

This tab is used to apply either a partial or full amount of a customer's available overpayment as payment toward one or more of that same customer's outstanding invoices.

#### Notes:

- Invoices must be printed before an overpayment can be applied.
- The BAR7500 Reprint Invoices Report always prints the original invoice, even if an overpayment has been applied to the invoice.

#### View payments:

Select a method to retrieve an invoice:

| Field               | Description  |
|---------------------|--|
| Cash Receipt<br>Nbr | Click to select a cash receipt number. If you type a partial cash receipt number (from one to five digits) and tab out of the field, the field is zero-filled to equal six digits. If alphanumeric values are entered, the field is not zero-filled.   |
| Customer<br>Name    | Type the customer's name for whom the invoice was created. As you type the data, a drop-down list of corresponding customer names is displayed. Select a customer name. The <b>Customer Nbr</b> field is automatically populated.  |
| Customer Nbr        | Type the customer's number. As you type the data, a drop-down list of corresponding customer numbers is displayed. Select a customer number. The <b>Customer Name</b> field is automatically populated.  |
| Date Range          | Type the from and to dates from which to select invoices. The <b>To</b> field is set to the current system date, but it can be modified.   |
| Process Date        | <ul> <li>Click * to select one of the following:</li> <li>Unprocessed Only - Select to include cash receipts without a process date.</li> <li>Unprocessed cash receipts can still be edited (reversed). When the End of Month Closing utility is run, the unprocessed cash receipts are processed.</li> <li>Processed Only - Select to include cash receipts with a process date. Processed cash receipts have gone through the end-of-month process and can no longer be edited.</li> </ul> |
|                     | • All - Select to include all (processed and unprocessed) cash receipts.   |

Click **Retrieve**. Cash receipt and associated account code data is displayed.
