| Field                   | Description                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                     |
|-------------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <b>Cash Receipt Nbr</b> | Click ▼ to select a cash receipt number. If you type a partial cash receipt number (from one to five digits) and tab out of the field, the field is zero-filled to equal six digits. If alphanumeric values are entered, the field is not zero-filled.                                                                                                                                                                                                                                                                                                                                                          |
| <b>Customer Name</b>    | Type the customer's name for whom the invoice was created. As you type the data, a drop-down list of corresponding customer names is displayed. Select a customer name. The <b>Customer Nbr</b> field is automatically populated.                                                                                                                                                                                                                                                                                                                                                                               |
| <b>Customer Nbr</b>     | Type the customer's number. As you type the data, a drop-down list of corresponding customer numbers is displayed. Select a customer number. The <b>Customer Name</b> field is automatically populated.                                                                                                                                                                                                                                                                                                                                                                                                         |
| <b>Date Range</b>       | Type the from and to dates from which to select invoices. The <b>To</b> field is set to the current system date, but it can be modified.                                                                                                                                                                                                                                                                                                                                                                                                                                                                        |
| <b>Process Date</b>     | Click ▼ to select one of the following: <ul style="list-style-type: none"><li>• <i>Unprocessed Only</i> - Select to include cash receipts without a process date. Unprocessed cash receipts can still be edited (reversed). When the End of Month Closing utility is run, the unprocessed cash receipts are processed.</li><li>• <i>Processed Only</i> - Select to include cash receipts with a process date. Processed cash receipts have gone through the end-of-month process and can no longer be edited.</li><li>• <i>All</i> - Select to include all (processed and unprocessed) cash receipts.</li></ul> |

Click **Retrieve**. Cash receipt and associated account code data is displayed.
