#### Asset Management > Reports > Asset Management Reports > Book Audit File Listing

This report lists all assets by item number, audit type, and book type. The audit type codes are defined as follows:

- A a new record in the audit file
- C a before image of the change to a record in the audit file
- F an after image of the change to a record in the audit file

Parameter	Description
Select Item Nbr(s), or	Type the ten-digit item number, including all leading zeros and separating
blank for ALL	multiple item numbers with a comma (e.g., 0000001991, 1236571991). Or,
	click to search for item numbers. Otherwise, leave blank to use all item
	numbers.
