## Budget > Tables > Account Codes > Program

This tab is used to establish and manage the program intent codes. This two-digit code is the second and third digits of the six-character program code used to designate the intent of a program provided to students. It is used to account for the cost of instruction and other services that are directed toward a particular need of a specific set of students, not the demographic makeup of the students served.

### Set up a program intent code:

Click **+Add** to add a row.

Field	Description
<b>Program Intent Code</b>	Type the program intent code for the account. The field can be a maximum of two digits.
<b>Program Intent Description</b>	Type the program intent code description. The field can be a maximum of 30 characters

Click **Save**.
