Export by File ID - BUD7400

Budget > Utilities > Export by File ID

This page is used to copy the selected file IDs to a user-designated archive file.

- If the file ID is N (next year), the export includes the budget tables as well as next year requisition and workflow tables.
- If the file ID is anything other than N, the export only includes budget tables.

Export file IDs:

| All available file IDs are displayed on the left side of the page under Available File IDs . |
|---|
| ☐ Select the file ID(s) to export. |
| \square Use the following buttons to move the selected file IDs from the left side to the right side of the page under Selected File IDs . |
| - Click to move selected entries from the left side to the right side of the page. - Click to move all entries from the left side to the right side of the page. - Click to move selected entries from the right side to the left side of the page. - Click to move all entries from the right side to the left side of the page. - Click to move all entries from the right side to the left side of the page. |
