Import Budget Tables - BUD7100

Budget > Utilities > Import Budget Tables

This page is used to import budget tables that were previously exported. The export file should contain all budget tables for the file ID with which the user logged on. When importing budget tables, ensure the file ID of the archived file is the same as that of the logged-on file ID.

Import budget tables:

Field	Description
Import Path	The following is displayed: (none selected). Click Browse to perform one of the following functions.
Pass/Fail	

Click **Save**.

****NOTE:**
