General Ledger Account Summary - FIN5000 1

General Ledger Account Summary - FIN5000

Finance > Inquiry > General Ledger Inquiry > General Ledger Account Summary

This tab is used to perform a single-line inquiry of account balances. On this tab, you may:

- Review the balances on individual accounts.
- View the balances in a summary view of the account.
- View records by page or by printing.

Perform a general ledger account summary inquiry:

Select any of the following fields to include in the inquiry:

| Field | Description |
|------------------------------|--|
| Processed | Reports account balances as of the end of the last reporting period. |
| Current Period | Reports account balances as of the current accounting period. |
| Next Period | Reports account balance as of the next accounting period. |
| Balance Accounts Only | Reports only account classes 1, 2, 3, and 4. |
| Include Fund Totals | Reports class totals by fund. |
| Exclude Objects 61XX | Select to exclude all object codes that begin with 61. |
| Account Code | Type an account code for each of the account code components or click  to select a code. Masked account code components (Xs) will retrieve any digit in that account code position. For example, the account mask XXX-XX-63XX-XX-XXX-XXXXXX would pull all grant expenditure amounts for supplies. Encumbrances for student activity fund accounts are displayed in class 2XXX object codes. |

Click **Retrieve** to process the inquiry based on the values selected. The page displays the general ledger account summary report. Fund totals by class are reported at the end of each fund.

[Review the report.](#)

Review the report using the following buttons:

- Click  to go to the first page of the report.
- Click  to go back one page.
- Click  to go forward one page.
- Click  to go to the last page of the report.

The report can be viewed and saved in various file formats.

Click  to save and print the report in PDF format.

Click  to save and print the report in CSV format. (This option is not available for all reports.) When a report is exported to the CSV format, the report headers may not be included.
Click **X** to close the report window. Some reports may have a **Close Report**, **Exit**, or **Cancel** button instead.

Other functions and features:

| | |
|--------------|---|
| Reset | Click to clear the account code and return to the default setting (all Xs). |
|--------------|---|
