Over Expended Account Summary - FIN5000 1

Over Expended Account Summary - FIN5000

Finance > Inquiry > General Ledger Inquiry > Over Expended Account Summary

This tab is used to perform a single-line inquiry of overexpended account balances. Only 6XXX object-coded accounts are displayed. On this tab, you may:

- Review the balances on individual accounts.
- View the balances in a summary view of the account.
- View records by page or by printing.

Perform an overexpended account summary inquiry:

Select any of the following fields to include in the inquiry:

Field	Description
Processed	Select to include account balances as of the end of the last reporting period.
Current Period	Select to include account balances as of the current accounting period.
Next Period	Select to include account balances as of the next accounting period.
Minimum Over Expended Amount	Select to include only account balances above a specified amount.
Exclude Objects 61XX	Select to exclude all object codes that begin with 61.
Account Code	Type an account code in each of the account code field components. Click  to select which account codes you want included in the mask. The account code components are displayed as a mask with all Xs. Fill in the digits that are used during the selection process, and only those account codes that match the ones specified are retrieved. For example, if you want a summary of all supply accounts for campus 001, the account mask would look like the following: XXX-XX-63XX-XX-001-XXXXXX

Click **Retrieve** to process the inquiry based on the values selected. The page displays the summary inquiry report. Fund totals by class are reported at the end of each fund.

[Review the report.](#)

Review the report using the following buttons:

Click  to go to the first page of the report.

Click  to go back one page.

Click  to go forward one page.

Click  to go to the last page of the report.

The report can be viewed and saved in various file formats.

Click  to save and print the report in PDF format.

Click  to save and print the report in CSV format. (This option is not available for all reports.) When a report is exported to the CSV format, the report headers may not be included.
Click **X** to close the report window. Some reports may have a **Close Report**, **Exit**, or **Cancel** button instead.

Other functions and features:

Reset	Click to clear the account code and return to the default setting (all Xs).
