## Finance > Inquiry > GL Inquiry > GL History - EOM

This tab is used to recreate any accounting period allowing you to view general ledger history amounts and transactions. The inquiry displays the current amounts at the time of the EOM process for the accounting period.

Transactions are listed in ascending order by accounting period and then year regardless of the **Starting Accounting Period** value on the Finance > Tables > District Finance Options > Finance Options tab.

### Perform a GL history - EOM inquiry:

Under **Retrieval Options**, select any of the following fields to include in the inquiry:

Field	Description
<b>Accounting Period/Year From and To</b>	Type the from and to date of data to be included in the MM YYYY format.

Under **Exclusions**:

<b>Exclude Objects 61XX</b>	Select to exclude all object codes that begin with 61.
<b>Exclude Accounts with No Transactions</b>	Select to exclude all accounts that do not have associated transactions. Only accounts that have zero balances with account transactions are displayed.

Under **Description**:

<b>Reason</b>	Select to display the reason for each account transaction.
<b>Vendor Name</b>	Select to display the vendor name for each account transaction.
<b>Account Code</b>	Type an account code for each of the account code components or click  to select a code. Masked account code components (Xs) will retrieve any digit in that account code position. For example, the account mask XXX-XX-63XX-XX-XXX-XXXXXX would pull all grant expenditure amounts for supplies. Encumbrances for student activity fund accounts are displayed in class 2XXX object codes.
