Finance > Tables > Account Codes > Program

This tab is used to establish and manage the program intent code. This two-digit code is the second and third digits of the six-character program code used to designate the intent of a program provided to students. It is used to account for the cost of instruction and other services that are directed toward a particular need of a specific set of students, not the demographic makeup of the students served.

Set up a program code:

Click **+Add** or press ALT+1 to add a row to the grid. **Note**: If you use ALT+1 to add rows, use the 1 key on the keyboard not the 1 key on the numeric keypad.

Field	Description
