TSDS Crosswalks

Finance > Tables > TSDS Crosswalks

This page allows you to convert data in your district format to the standard TEA format for the fall and mid-year collections. This conversion only affects the data in the State Reporting tables, allowing you to continue maintaining your data in your format in the Business and Student systems.

Modify a record:

Field	Description
Crosswalk Type	Click  to select the crosswalk type.

A list of existing from and to account code elements is displayed for the selected crosswalk type.

Click **+Add** to add a row.

From	Based on the selected crosswalk type, type the three-digit from account code element to crosswalk.
To	Based on the selected crosswalk type, type the three-digit to account code element to crosswalk.

Click **Save**.

Other functions and features:

Retrieve	The Retrieve button is also used to retrieve information from the last save. If you click Retrieve , any unsaved changes are lost.
Print	Click to print the report. Review the report.
	Click to delete a row. The row is shaded red to indicate that it will be deleted when the record is saved. Click Save .
