Delete by File ID - FIN7900

Finance > Utilities > Delete by File ID

This utility is used to remove all finance tables except Vendor tables of a selected file ID.

Delete a file ID:

Under **Available File IDs**, select which file ID to place in the **Selected File IDs** column using the following buttons:

 - Click to move selected entries from the left side to the right side of the page.

 - Click to move all entries from the left side to the right side of the page.

 - Click to move selected entries from the right side to the left side of the page.

 - Click to move all entries from the right side to the left side of the page.

Execute	Execute the process. ❑ Click **Execute** to execute the process. A message is displayed indicating that you are about to delete the selected file IDs. • Click **Yes** to continue deleting all selected file IDs. • Click **No** to return to the Delete by File ID page without deleting any file IDs. A message is displayed indicating that the process was successfully completed. Click **OK**.
