Finance > Utilities > Fiscal Year Processing > Delete Funds

This page is used to identify by fund/year codes the funds that are to be deleted from the general ledger prior to the start of the next fiscal year. A report of the deleted and not deleted funds is generated automatically. In addition, records associated with the deleted fund are deleted from all tables. Fund/fiscal years can be deleted even if they exist as an offset for credit card and warehouse transactions. It is important to set up the Tables > Credit Card > Due To Fund tab to crosswalk the deleted fund/fiscal year in order to prevent errors from occurring after funds change fiscal years during the end-of-year process.
