Finance > Utilities > Fiscal Year Processing > Mass Change Bank Account Group by Fund

This page is used to update the fund years for bank account groups in preparation for end-of-year processing. This utility enables you to select multiple funds/years and increment the year by one for each selected fund. This utility only mass changes the fund years for the logged-on file ID.

Note: The next year fund/fiscal year must exist in the Finance Account Codes/Fund table, and an account code with class 1XXX related to this fund/fiscal year must exist in the chart of accounts before processing the Mass Change Bank Account Group by Fund utility.

Mass change bank account groups:
