Table of Contents

Click **+** to add a record. The corresponding maintenance pop-up window is displayed allowing you to add and save data. Complete the necessary fields and click **Add** to add the record.

When the record is successfully added, an Add Successful message is displayed and the **Add** button is disabled.

Click **Close** to close the pop-up window.

If an RP record is added with a different TRS position code, a separate row is added to the grid.
