

Verify object/subobject codes

Table of Contents

Verify object/subobject codes

[Finance > Tables > Asset Management Cross-Reference > Object/Subobject Codes](#)

Verify that object/subobject codes for any assets that need to be carried over exist in the Asset Management Cross-Reference table.

If you need to add object/subobject codes to the table, the codes must exist in the Chart of Accounts.

Tables > Asset Management Cross-Reference

Save

OBJECT/SUBOBJECT CODES

Retrieve Print

Delete	Object / Subobject	Object Description	Type
	6639.00	FURNITURE & EQUIPMENT & SOFTWA	C Capital assets
	6395.00	SUPPLIES & MATERIALS-LOCALLY	I Inventory
	6399.00	GENERAL SUPPLIES	I Inventory
